Summary

14+ years in visual and experience design, including 5+ years leading design teams. Led Jianye+ app from 0 to 5M users across 60+ releases; recent work primarily for Huawei and enterprise clients—exhibition visuals, campaign KV, and ToB data visualization / solution pages—plus client and vendor coordination. Brand VIS, product UI, print packaging, events, digital exhibition, and information design; experienced collaborating with product, engineering, print, and build partners. MBA, University of Leeds; Advertising Design, Central Academy of Fine Arts (CAFA); 2015 Cheong Kwan Jang International Design Competition (shortlisted); 2016 CAFA Outstanding Graduate Work.

Core strengths

- Brand & visual: logo / VI manuals, environmental graphics, brochures and extensions (education, institutions, Fortune 500 clients)
- Product & UI: mobile app guidelines, hi-fi core screens, multi-release iteration with engineering
- Packaging & print: gift box structure, dielines, spot color and press checks (incl. KGC red ginseng series, 2015 international competition shortlisted)
- Events & exhibition: campaign KV, backdrops, screen content and overall visual direction for booths
- Data visualization: enterprise ToB architecture diagrams, proposal pages, dashboards and large-screen UI (Huawei and similar)
- Team & management: task allocation, design systems, client pitches, cross-functional delivery and vendor management

Experience

Nov 2022 – Present Shanghai Digital Tiger Image Technology Co., Ltd. Graphic Designer & Project Manager

- Primary client: Huawei. Exhibition / event visuals, data visualization, and overall visual QA; client liaison, planning, and vendor management.
- Exhibition screen content, 3D modeling and motion; aesthetic direction for display projects
- ToB data visualization and solution pages: architecture diagrams, metrics, layout standards
- Requirements, revisions, schedule tracking, and on-time delivery with internal and external partners

Mar 2022 – Sep 2023 Freelance / personal projects

- Project-based output during career break; continued study in AIGC, motion, and 3D.
- Beijing Xianlingquan hawthorn wine packaging: three directions (Chinese / modern / illustration); illustration route selected
- Brand research for a biotech startup: sample library of 51 global benchmark VIS cases
- Ongoing AIGC / motion / Cinema 4D practice (see portfolio)

Sep 2015 – Apr 2020 Jianye Group (Beijing Songyun Technology) Design Lead

- Led Jianye+ app design, design system, and major releases; design support across group business lines.
- Two intensive in-house development cycles; shipped major app versions with product and engineering
- Users grew from 0 to 5M (~20% YoY); 60+ releases; app recognized as a top provincial favorite
- Profitability within ~2 years; related revenue grew ~300% YoY on average

- Design advisor for real estate, culture & tourism, hospitality, and smart community units
- Henan Jianye FC posters and merchandise (T-shirts, calendars, etc.), 50k+ units sold

Nov 2013 – May 2015 Beijing Hande Group Senior Visual Designer

- Events and exhibitions for Fortune 500 clients including Schneider Electric, EY, and Oracle.
- Client briefings, proposals, on-site materials; revisions through production
- Collaboration with PMs, 3D designers, and suppliers for on-time, quality delivery

Mar 2011 – Mar 2013 Beijing Dili Design Brand Designer

- Full brand projects: logo, VI, books, web, panels, and print extensions.
- Client discovery, internal reviews, presentations, and revision cycles
- Print vendor coordination for materials and production

Education

Jan 2021 – Jan 2022 University of Leeds, UK MBA (language programme rep.; Leeds Jewish Welfare Board volunteer)

Mar 2014 – Jan 2017 Central Academy of Fine Arts (CAFA) Advertising Design (2016 Outstanding Graduate Work)

Sep 2007 – Jul 2010 Nanyang Institute of Technology Information Management

Awards & selected work

- 2015 Cheong Kwan Jang International Design Competition — shortlisted (red ginseng packaging series)
- 2016 CAFA Outstanding Graduate Work (ceramic incense burner)
- Selected work: Jianye+ / Zhongyuan FC app, Huawei enterprise data visualization (public portfolio uses redacted concept visuals), education brand VIS, event KV — see portfolio

Tools

Design: Photoshop, Illustrator, InDesign, Figma, Sketch, Axure RP, CorelDRAW

Motion & 3D: After Effects, Premiere, Cinema 4D, Principle
